

Firm Overview

Based in Tampa, Florida, Essex Capital is a corporate finance advisory firm, providing professional debt capital raising services to small and mid-market privately held companies throughout the United States. Drawing on over 100 years of collective corporate finance experience, the Essex principals are uniquely qualified to help clients successfully source, negotiate and close financing transactions. The firm is "success fee" based, so our interests are squarely aligned with the client, and there is no other option but to succeed.

- + **Founded 2003 - Arranged more than \$1.25 billion in financing 140+ transactions**
- + **Sole focus on debt capital investment banking for small and mid-market companies**
- + **Proven, successful track record of closing transactions**

Expertise

The Essex principals have amassed unique and broad transaction expertise over many industries and deal structures and have built an extensive, proprietary database of specialized senior lenders, mezzanine funds, and other specialty capital groups. The firm's deal execution experience and its institutional network of capital providers substantially enhance the probability of closing deals for clients.
